

The diagram shows a large, hand-drawn outline of a stylized letter 'S'. Inside the 'S', there are three regions labeled 'WHITE' in bold, uppercase letters. The first 'WHITE' label is in the upper left curve, the second is in the middle horizontal section, and the third is in the lower right curve. To the right of the 'S', there are three separate, hand-drawn shapes, each labeled 'BROWN' in bold, uppercase letters. These shapes are arranged vertically and resemble a semi-circular cap, a bowl, and another semi-circular base. The entire drawing is done in black outlines on a white background.
